Detection

Commercial UAV Expo is an event to network at and creates professional bonds that last forever. It has had a significant impact on my business and my position in the industry and creates an interest around my brands."

- *Hollywood Drones / DroneTV*

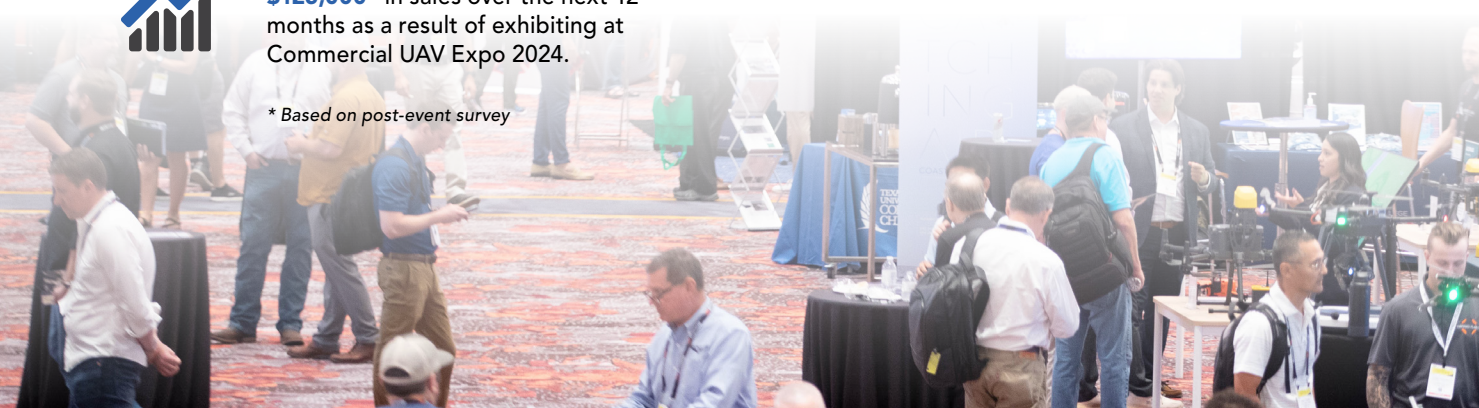

Commercial UAV was a great place for businesses to connect and form partnerships. It was a one stop shop that helped us accomplish our goals."

- *Northern Plains UAS Test Site*

Commercial UAV Expo is an excellent event for keeping up with new trends and generating brand awareness within the drone niche. "

- *CodigoDelSur*
